

Fall Creek Falls Astronomy Weekends

Would you like to learn about the night sky, the use of telescopes, star wheels, and binoculars, and why the seasons occur? Join us at the lobby of the Fall Creek Falls Inn on the following weekends to learn about all these things and observe distant galaxies, planets, exploding stars, and beautiful star fields through several large telescopes.

Friday, June 22nd and Saturday, June 23rd

Friday, July 20th and Saturday, July 21st

Friday, August 17th and Saturday, August 18th

Thanks to the members of the "Astronomy in the Parks Society" for providing this program
